DI MEO KALENDAR 2020.
DI MEO KALENDAR 2020

VREME JE ZA BEOGRAD

eng IT'S BELGRADE TIME

Fotografije / Photography: Massimo Listri

Ove godine je prestižni *Di Meo* kalendar stigao do svog 18. izdanja, a glavno mesto događaja je Beograd, sjajna prestonica Srbije u ulozi idealne međunarodne scene.

Generoso di Meo, predsednik kulturnog udruženja DI MEO VINI AD ARTE, u projekat je ponovo uvrstio nagrađivanog fotografa Masima Listrija tražeći od njega da prikaže grad na Dunavu u 15 slika. To će se otkriti i kroz neobjavljene priče poznatih ljudi (kao što su Vittorio Sgarbi, Marija Gabrijele di Savoia, Ratko Božović i Pepe Mora sa fascinirajućim prikazom čuvenog performansa Marine Abramović u Napulju 1974).

Kalendar će biti predstavljen u Beogradu u subotu, 9. novembra 2019. godine, u monumentalnoj Palati Srbije – čuvenoj zgradi i istorijskom lokalitetu jugoslovenske savezne vlade – tokom ekskluzivnog *Crno-belog bala*, na kom će učestvovati finansijska elita, međunarodna aristokratija i vodeće kulturne ličnosti iz celog sveta.

This year the prestigious *Di Meo* Calendar has reached its eighteenth edition. The protagonist city of the event is Belgrade, the splendid Serbian capital Belgrade in its role of ideal international scene.

Generoso Di Meo - President of the Cultural Association "DI MEO VINI AD ARTE" - has once again involved award-winning photographer Massimo Listri in the project, asking him to portray the Danubian city in fifteen images. These will also be revealed through the unpublished stories by well-known people (such as Vittorio Sgarbi, Maria Gabriella di Savoia, Ratko Božović and Peppe Morra with his fascinating account of the famous performance by Marina Abramović in Naples in 1974).

The calendar will be presented in Belgrade on Saturday November 9th 2019 in the monumental Palace of Serbia – famous building and historic site of the Yugoslav Federal Government – during a wonderful "Black & White Ball" with participants from the financial élite, international aristocracy and leading cultural figures from all over the world.
